# CATZ CHARITY FOUNDATION

The Catz Charity Foundation (CCF) was founded after the deadly tsunami in 2004 with the objective to channel individual initiatives of Catz International employees and other partners. The foundation focuses on small-scale projects with reliable partners and minimal overhead costs to ensure that as much as possible of what is donated reaches those who need it. The Catz Charity Foundation supports several local organizations with financial and material donations. The foundation aims to help vulnerable people in their most basic living conditions, such as shelter, food and education.

In 2019 the Catz Charity Foundation was able to support the following:

**Beautiful Kidz Namibia**, for its Anusa needlework project providing employment for families and good quality school uniforms for children.

**Doctors Without Borders** in Mozambique, Malawi and Zimbabwe, which provided medical assistance to people affected by the tropical cyclone Idai.

**Doctors Without Borders** in the Iraq border region, which provided medical assistance to refugees affected by the violent conflict in Syria.

A **Wilde Ganzen** project: expansion of a safe place for girls in the Philippines. The girls receive trauma processing support and education to better their chances on the labour market.

A **Wilde Ganzen** project: purchase of a new school bus for the Siragu school in India to enable children to receive regular education.

A **Wilde Ganzen** project to provide access to clean drinking water and sanitation in Guatemala and contribute to rural development by reducing waterborne diseases.
